Important note:

Recommended web browsers for using Google Forms are Mozilla Firefox or Google Chrome.

Students must ensure that they submit the form within the time frame mentioned in the schedule because responses will be rejected by the system after the time is over.

Only one submission will be allowed per G Suite ID.

The student whose siblings are also studying at SJA must ensure that they are logged in with the correct G Suite ID (both in the Google Classroom App and the default web browser).

In case one gets permission errors, please ensure that you are logged in using your G Suite ID in the web browser. One may also open classroom.google.com in the web browser and login using the G Suite ID to avoid permission errors.
