If I were a teacher...

If I were a superhero...

**Q.5) Read the passage given below and answer the following questions :**

Staying healthy is important for every person. To stay healthy, we must eat the right food, drink enough water, and get good sleep. Fruits, vegetables, milk, and pulses give us energy and protect us from falling sick. Exercise is also very important. It helps us stay fit and makes our body strong. Children should play outdoor games like running, skipping, or cycling every day. Watching too much TV or playing too many mobile games can make our eyes and body tired. A healthy person is always more active, happy, and ready to learn new things.

- a) What should we do to stay healthy ?
- b) Name four food items that give us energy and protect us from falling sick.
- c) What helps us stay fit and makes our body strong ?
- d) Write two outdoor games mentioned in the passage.
- e) What can happen if we watch too much TV or play mobile games ?
